RE: ADA Trainer Network – Southeast – Train the Trainer Completion

Dear Jonathan:

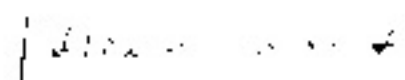

This letter is to verify that you have successfully completed the Southeast ADA Center's ADA Trainer Network Train the Trainer Workshop on May 24-25, 2017 in Burlington, North Carolina. Jonathan is a current member of the **ADA Trainer Network – Southeast (ATN-SE)**. As a member of the ATN-SE, Mr. Ellis has been granted access to ADA and disability awareness training modules so that he may develop customized trainings for various audiences.

Please note that the completion of the ADA Trainer Network Train the Trainer Workshop does not certify an individual as an ADA Consultant or ADA Trainer. "ADA Consultant Certification" does not exist nor is recognized by any Federal enforcement agency. The U.S. Department of Justice (DOJ) states the following in a technical assistance letter dated October 15, 1993: "The Department of Justice does not certify or endorse any individual or organization as ADA consultants, and does not approve or endorse any products or designs as being in compliance with the ADA. Any individual or business claiming to have such a certification or endorsement may be violating various state and federal laws prohibiting fraud and misrepresentation."
